EXAMINER'S AMENDMENT AND STATEMENT OF REASONS FOR ALLOWANCE

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Nelson Blish on 14 February 2006.

3. The application has been amended as follows:

Claim 14 has been amended to depend from claim 1.

Claim 22 has been amended to depend from claim 21.

Allowable Subject Matter

4. Claims 1-34 are allowed.

5. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 18, the examiner notes that while scanning modules including a reflective housing for collecting emitted light from a photo-stimulable media and including a channel (slot) for transmitting a laser beam to the radiographic media (see for example Boutet *et al.*—US 6,897,280 B2; Doggett *et al.* – US 6,180,955 B1; and Chan *et al.* – US 4,742,225), the prior art does not disclose or fairly suggest that the laser is disposed in the channel and that the laser is dithered.

Note: The examiner considers dithering of the laser beam to relate to a minor sub-scanning movement (see par. 0002 of Application Publication – US 2005/0139794 A1) that is significantly different than the raster (i.e., full sub-scanning) movement wherein a laser is located

external to the channel (slot) such that the laser beam is scanned across substantially the full width of the radiographic media (see for example *Boutet* at Fig. 3b; *Doggett* at fig. 1; and *Chan* at Fig. 1).

The remaining claims are allowed on the basis of their dependency.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
